KINDERDIJK

ALBLASSERDAM

. GUIDED BIKE TOUR

Start at Wisboom Pump House in Kinderdijk with a short explanatory visual show in the engine room (10 minutes). After the show the bikes are handed out and we start a 50-minute bicycle tour through the windmill park. On return we enter the visitor's windmill. This tour is fully guided, and only uses cycle lanes, no cars involved. Ideal for foreign students who may not cycle too often. The entire program takes about 2 hours. The route can be made longer to 1.5 hour, with part of the tour on regular roads. There is not a lot of traffic and you see more of the authentic Dutch farms and rural district. It is the same rate.

rate: € 13,50 p.p.

. SCHOOL BICYCLE RENT

Just bicycle rent is also possible. Schools can rent bicycles at location Kinderdijk (paid parking for buses € 12,50) or Alblasserdam (free bus park). For groups reservations are required. **Kinderdijk tickets can be ordered separately at wish and are available at the Alblasserdam location from April 2011.**
